A R I A D N Ê:

A STORY OF A DREAM.

BY OUIDA.

CHATTO & WINDUS, 74 and 75 Piccadilly. | CHAPMAN & HALL, 193 Piccadilly.

TWO IMPORTANT NEW NOVELS.

3 vols. crown 8vo, at every Library.

WHAT HE COST HER.

By JAMES PAYN,

Author of "Lost Sir Massingberd."

3 vols. crown 8vo, at every Library.

DICK TEMPLE.

By JAMES GREENWOOD.

3 vols. crown 8vo, at every Library.

JULIET'S GUARDIAN. By Mrs. H. LOVETT CAMERON.

"A really good novel. Mrs. Cameron is far too good an artist to rest content with anything but the very best work.....One of the purest, brightest, briskest, cleverest, and most original stories that we have come across for many a long day."—*Whitehall Review.*

"The reading public may be warmly congratulated upon the advent above the literary horizon of a new and exceptionally brilliant planet. ....Charmingly fresh.....We advise everyone to read and judge for themselves."—*Morning Post.*

2 vols. crown 8vo, at every Library.

The NEW REPUBLIC; or, Culture, Faith, and Philosophy in an English Country House.

"A book to read, to rejoice in, and to remember.....It is only very dull or very bigoted persons who will understand its meaning, or who will fail to see that, if it furnishes few weapons to the faithful, it blunts and breaks a goodly array of the swords and spears of the unbelievers." *Standard.*

"A decidedly clever book. There is plenty of epigram in its literary style.....There is a very clever imitation of Mr. Matthew Arnold's (Mr. Luke) poetry; but the best parody in the book is that of a sermon of Mr. Jowett, and this is really so good that it might well be a reminiscence of a discourse actually delivered in Balliol Chapel."—*The World.*

Crown 8vo, cloth extra, with Photographic Portrait, 6*s*.

TOM HOOD'S POEMS: Humorous and Pathetic. Edited, with a Memoir, by his Sister, FRANCES FREELING BRODERIP.

"The book is a sad evidence of what might have been. Those who knew Hood will prize it; those who do not know him should get it, and they will find in it a sufficient reward. It is pure and good from first to last."—*Scotsman.*

Demy 8vo, cloth extra, with Coloured Illustrations and numerous Plans, 24*s*.

A HISTORY of the RIFLE BRIGADE (the Prince Consort's Own), formerly the 95th. By Sir WILLIAM H. COPE, formerly Lieutenant Rifle Brigade.

"A better theme for an interesting military book than the history of that famous corps, the Rifle Brigade, could scarcely have been selected."—*Athenaeum.*

"A most valuable and interesting book."—*Broad Arrow.*

Crown 8vo, cloth extra, 7*s*. 6*d*.

HISTORICAL PLAYS by TOM TAYLOR: "Clancarty," "Jeanne Darc," "Twixt Axe and Crown," "The Fool's Revenge," "Anne Boleyn," &c.

Small 8vo, Illustrated boards, 2*s*. each.

Demy 8vo, cloth extra, with Illustrations, 21*s*.

The LIFE of the GREEKS and ROMANS. Described from Antique Monuments. By ERNST GUHL and W. KONER. Translated from the Third German Edition, and Edited by Dr. HUEFFER. With 545 Illustrations.

"It is but simple justice to this exhaustive volume, and to its careful and faithful translator and interpreter, to say that not only upon the scholar's shelves, but in every well-chosen library of art, it must take an honoured place."—*Daily News.*

Now ready, crown 8vo, cloth gilt, price 6*s*.

The THIRD EDITION of

BOUDOIR BALLADS. By J. Ashby-STERRY.

"Every requisite of poetry which plays with the prose of life, every innate or acquired faculty of ease, grace, delicacy, musical precision, airy playfulness, unforced humour, and unstrained fancy, will be found in 'Boudoir Ballads.'"—*Daily Telegraph.*

"Mr. Ashby-Sterry is just what he styles himself, a 'laureate of frills;' but although he is at his happiest when musing over feminine grace and beauty, as in 'Saint May' and 'Little Undine,' he is no forgetter of the charms of nature: witness such pieces as 'Blankton Weir' and 'In Strawberry Time.' As is right in such pieces, the human interest predominates; and there are touches of true pathos and humour which redeem the book from any charge of frivolity." *Graphic.*

"May, on the whole, be pronounced a delightful volume." *Bookseller.*

"Will certainly find an appropriate place in a lady's boudoir." *Westminster Review.*

CHATTO & WINDUS, PICCADILLY, W.

NEW BOOKS.

3 vols. crown 8vo, at every Library.

JOHN LEXLEY'S TROUBLES.

BY

C. W. BARDSLEY, M.A.

EXTRACTS FROM OPINIONS OF THE PRESS.

"In respect of a certain thoughtfulness of tone and grace of style, which are evidently the expression of true culture, it belongs emphatically to what may be termed, in contradistinction to novels of incident, the philosophic school of fiction..... On the whole, a thoroughly well-written novel, and full of promise of still better work in the future."—*Scotsman.*

"Many will think 'John Lexley's Troubles' a book to be grateful for.....It is in sharp delineation and delicate discrimination of character, and in excellence of dialogue, rather than in constuction of plot, that the author shows himself a man of rare and original talent. He is a humourist, too, of no mean order."—*Standard.*

"There is a great deal of power in Mr. Bardsley's relation of poor John Lexley's troubles.....The key-note of the story is the harmonising of two contrasted natures, which, differing utterly in kind, resemble each other in the sweetness and purity of generous and untainted youth.....The book is suggestive; in parts it is also humorous."—*Athenaeum.*

"Entitled to an honourable place among novels of the day. Written with spirit and animation, it tells agreeably a striking story; and it has some remarkably good and truthful sketches of character.....On the whole, a clever and readable novel." *Sunday Times.*

"'John Lexley's Troubles' will be asked for at the libraries when it has ceased to be advertised as the novel of the season." *Oxford Guardian.*

"To say that there is not a dull line in this novel would be such weak praise for an exceptionally fine work of modern fiction that it seems almost an insult to the author to make the remark; but still it would be perfectly true..... Mr. Bardsley seems to have a happy facility for uniting into one harmonious whole all the qualities which should go to the making of a thoroughly good story.....The plot is developed in a manner which might excite the envy of the most practised master of the art.....Considered as a study of provincial life, and more particularly of the life of Dissenting communities and of clerical existence a good many years ago, the novel can hardly be praised too highly."—*Morning Post.*

"He has succeeded fairly well in two or three of his characters—in his hero, perhaps, best of all. He shows at times a certain amount of humour."—*Saturday Review.*

"The influence of the author of 'Adam Bede' is clearly traceable in this tale, but it is sound and honest workmanship. The tone is sad, yet a fine harmony prevails throughout, and Mr. Bardsley's style is, as a rule, that of a writer who has cultivated natural gifts by the reading of good authors. His dialogues are really dialogues, which is no small recommendation, and under his pen a landscape comes out clear and well-defined before the mind's eye."—*Daily News.*

A HISTORY of FRANCE down to 1793. By G. W. KITCHIN, M.A. With numerous Maps, Plans, and Tables. 3 vols. crown 8vo, each 10s. 6d.

The *Times* says: "Mr. Kitchin has struck out a new line for himself, and set himself to the task of making the history of France readable. We may say at once that he has succeeded; his story is not too long, and he tells it in a lively, agreeable manner.....The work derives additional value from some excellent tables and maps which accompany it."

"It is the first attempt of any importance to give in English a clear and careful account of the history of France, and it is written in such a lively way that the reader who dips into it will find no difficulty in following it to the end. It is well supplied with maps and tables."—*Examiner.*

THE

FORCES OF NATURE:

A POPULAR INTRODUCTION TO THE STUDY OF PHYSICAL PHENOMENA.

BY

AMÉDÉE GUILLEMIN.

Translated from the French by

MRS. LOCKYER,

And Edited, with Additions and Notes,

By J. NORMAN LOCKYER, F.R.S.

Illustrated by nearly 500 Engravings.

The "Forces of Nature" has hitherto been accessible in England only in an expensive edition in one large volume. It appears to the publishers that by issuing it in monthly parts, at about half the original cost, they will bring it within the reach of a wider circle. They believe it is not too much to say that there is no work in the language from which the general reader can obtain a clearer view of the principles of physical science, and that it is as sound and accurate as it is popular. The number and beauty of the illustrations and the lucidity of the style have given it an enormous circulation in France, and two very large editions have been sold in England. The whole book has been thoroughly edited and adapted for the English public by Mr. J. NORMAN LOCKYER, F.R.S., whose name is a guarantee not only for the scientific accuracy, but for the completeness and lateness of the information.

The *DAILY NEWS* says:—"The method of pictorial illustration, accompanied as it is by descriptions of singular clearness, makes the experiments as easy to understand as though they were actually performed before the reader. There are 450 of these illustrations, all well executed, and so admirably fitted to the text as to make the book interesting to young people, while it is at the same time worthy of the notice of the student.

The *SATURDAY REVIEW* remarks:—"Altogether the work may be said to have no parallel, either in point of fulness or attraction, as a popular manual, of physical science."

The *GUARDIAN* calls it "a very splendid volume. The Forces with which it deals are fivefold—Gravity, Sound, Heat, Electricity, and Light. These great subjects are popularly, but very completely and accurately, treated in the full light of the latest discoveries. They are illustrated by innumerable woodcuts and diagrams of equal elegance and precision."

The *STANDARD* says:—"It would be difficult to speak in terms of exaggerated praise in favour of this work. It is just what a popular instructor should be. We can commend it cordially to all those who wish, without going deeply into science, to investigate and understand the general laws by which nature acts."

The *MORNING POST*:—"A standard work, which will long hold a high position in English literature. It is not so technical as to be unsuited for general readers who take any interest at all in science. To the philosophic student it will be a useful book of reference..... It is emphatically a popular work, and one so reliable, that we think the Royal Society would, if necessary, feel little hesitation in endorsing its contents from beginning to end."

PERU: Incidents of Travel and Exploration in the Land of the Incas. By E. G. SQUIER, M.A., F.S.A., late U.S. Commissioner to Peru. 8vo, 21s. [*This day.*

"This highly interesting book will be found well worth perusal, containing, as it does, the impressions of a cultured observer, who evidently knew how to make the most of his opportunities. Mr. Squier writes in a lively style throughout, and yet manages to convey a great deal of solid information about the past as well as the present of Peru. The numerous Illustrations with which the work is embellished deserve a word of praise for their fidelity."—*Globe.*

Sold by all Chemists.
In the preparation of this Tonic the greatest care is exercised. It is a faithful compound of Quinine, the active principle of Yellow Cinchona, or Peruvian Bark, blended with a refined trustworthy preparation of Iron, produced in a form which the experience of many years has proved the best. It offers a ready means of gaining the strength and other benefits afforded by Quinine and Iron, without any fear of ill consequences.—The name of J. PEPPER is signed in red ink on the label.

TARAXACUM and PODOPHYLLIN.—A fluid combination for Derangement of the Liver, particularly when arising from slight congestion. By gently stimulating the action of the liver and slightly moving the bowels, the heavy, drowsy feeling, with sensations of fulness, headache, pain beneath the shoulders, and other indications of Dyspepsia are removed. Taraxacum and Podophyllin is much safer than calomel or blue pill, and quite as effective for removing bile.—Prepared by J. PEPPER, 237 Tottenham Court Road, London, whose name must be on the label.—Bottles 2*s.* 9*d.* and 4*s.* 6*d.* each. Sold by all Chemists.

A WINTER in the CITY of PLEASURE;

Or, LIFE ON THE LOWER DANUBE.

By FLORENCE K. BERGER.

Crown 8vo, 10*s.* 6*d.*

"'A Winter in the City of Pleasure,' as the author entitles these sketches, is a very interesting and most valuable contribution, at a time when the attention of the whole of Europe is directed to the shores of the Lower Danube. Apart from its great and undeniable literary merit, this work deserves the highest praise, and ought to be recommended to everyone as a study of the actual condition of society on the banks of the Danube. Very little indeed is generally known in this country about Roumania, and although purporting to be merely an account of a brief season which the writer spent at Bucharest, or 'The City of Pleasure' as that capital is called in the native language, the book is evidently written by one who has a keen and intimate knowledge of the history, language, and present state of modern Dacia. The author's description of the manners, morals, customs, national character, and social life of the Roumanians is brought before the reader in the most clever and masterly style; every portrait is full of life, from the profligate Boyard to the weary, foot-sore peasant, and the despised, wandering Gipsy; a clever treatise on the origin and history of these strange people forms one chapter of the book, which concludes with an interesting paper on finance, and a translation of some very pretty "*Doines*," the national songs and legends of Roumania, quite unique in English literature. Our limited space prevents us from giving extracts from this interesting work, but we shall not conclude our review without strongly recommending it to the attention of our readers..... The writer possesses descriptive powers of no ordinary kind. The description of the gipsy camp is like a picture by Rembrandt. There is not a page of dull writing in the book. From beginning to end the matter is amusing, and the style keen, racy, and incisive. It is like the clever chat of a brilliant conversationalist, and there is a certain amount of dash in it which carries the reader along with it. The writer rings the changes from grave to gay incessantly, yet without once letting the interest flag."—*Morning Post.*

"A pleasing and brightly-written account of life and society at Bucharest by one who has gone below the surface and behind the curtain for her experiences."—*World.*

"The book is worth reading for other reasons than that it may tend to open the eyes of the admirers of the Eastern Christians."—*Standard.*
